(d) if so, the action taken by the Government in this regard; and

(e) if not, the reasons therefor?

Answer

ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI FAGGAN SINGH KULASTE)

(a): Details are given in the Annexure.

(b) to (e): The Medical Council of India (MCI) has maintained database of faculty members available in the country required for running/existing medical colleges. All the declaration forms submitted by teaching faculty during the time of assessment are available on the MCI's website www.mciindia.org /information Desk/TeachingFaculty.aspx.

If the Medical Council of India receives any complaint against the faculty/duplicity of faculty in the permitted Medical Colleges or the MCI finds any fake faculty during verification of declaration forms of all the Medical Colleges for each academic year, the said College is debarred for 2 years from making admissions in the MBBS course, as per the Regulations of the Council. The matter is also referred to Ethics Committee of the Council to investigate against the said fake faculty/Dean/Principal of the College and action is taken against them as per the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002.
